Listen to the following YouTube clip and discover how he repeats his lyrics:

### **Lyrics Structure**

Blues lyrics usually follow a structure of AAB,

- sing line 1
- sing line 1 again
- sing a different line that rhymes.

Your task this lesson is to write your own:

1. Choose a Bluesy theme.
2. Write a sentence.
3. Repeat the sentence.
4. Write the 3<sup>rd</sup> line which must rhyme with the first two lines.

For example:

- Came to school this morning, dragging my school bag on the ground.
- Came to school this morning, dragging my school bag on the ground.
- Should've done my homework, 'stead of hanging around.
