RE

There is a lesson on Humanism for you to look at and work through. Firstly, there is a quiz, (don't worry if you don't know the answers, just guess them), then close the quiz and move on to the video. It will then tell you what you need to do. Once you have finished the lesson. I would like you to create a leaflet to be able to give to someone you know, explaining what Humanism is and what it isn't. (You may need to get extra information and can use the Humanism website – the link is provided for you).
